## Agenda:

1. Paper
2. Compost
3. Mugs
4. Energy
5. Outreach
6. Next meeting

### 1. Paper

- Corey Goldman sent out course paper best practices to faculty
- Elah needs a team to help her get information
- Andrea volunteered to help
- Volunteer Toronto meeting next week to figure out whether paper reuse project can go forward
- Greta's been promoting double-siding in her courses
- Laura: Forestry won't buy FSC because there are political implications to choosing one particular kin
- Jessica will be emailing Anisha about survey for RW faculty re interest in FSC paper
- **ACTION: Laura will pass on FSC contact to Jessica**
- R.O.M. library photocopier can't print double-sided, but they're outside of our mandate...

2. Composting
  - One of the bins hasn't been emptied out, but Simona spoke with caretaking, and that has been resolved
  - Daryl: green bins in Ramsay Wright are working well
3. Mugs
  - Laura is considering buying second-hand mugs, putting them in the lunch rooms
  - Found ceramic paint
  - Elah will help
  - Everyone felt this wouldn't compete with EGSA or departmental mug-based fundraisers
  - **ACTION: Daryl will provide a few real mugs at seminars, instead of paper cups**
  - **ACTION: Laura will email Elah about stencilling**
  - **ACTION: Everyone bring ceramic mugs to Laura in ESC2023**
  - Laura will wait till mugs are available to promote
4. Energy
  - Monitoring energy use in labs
  - Anisha has prepared posters
  - Shelley will probably start advertising in the beginning of the new year
  - Locke Rowe is interested in making this a departmental event
  - Jessica spoke with Mike Monroe, and building patrol may be willing to take notes for us on who's leaving their lights off
  - Unlikely that a UTBEAT member could go with the patrol because they don't have set hours
  - Courtney may become involved as well
  - **ACTION: Shelley will write up proposal (one paragraph), including description of what building patrol would do**
  - Potential prizes include coffee, grocery gift certificates
  - **ACTION: Shelley will come up with a short list of prizes**
  - **ACTION: Daryl will talk to Tamar about running lights in CSB**
  - **ACTION: Elah will talk to engineers about hoods in ESC**
  - Campaign will stick with lighting only for now
  - **ACTION: Elah will ask Bruce Dodds about Bullfrog power**
5. Undergrad outreach
  - Ying is planning to work with ASSU
  - **ACTION: Ying will either attend ASSU meeting or type up something for the biochem students to present**
  - **ACTION: Ying will present to large classes**
  - **ACTION: Ying will look into posting on Biome**
6. Next meeting: December 11<sup>th</sup> at noon most likely
